

Contract SSL certificate and IP address

This contract has to be used to request a SSL certificate and IP address. With this your customers can make a secure connection with your website.

A SSL certificate and IP address will cost €80,00 / year (excl. 19% VAT). It's possible that there are price fluctuations on the next renewal. Off course we will notify you in time about possible price changes.

Signed,

(company)name: _____
customeraccount: _____
domeinname: _____
address: _____
zip code + city: _____
phone: _____
email: _____

Payment:

I want to pay by direct debit (Dutch bankaccount required).

By filling in the fields below you grant Digitalus Webhosting & Webdesign to automaticly collect your invoices (direct debit).
