

**Transferring domainname to another registrar**

This form has to be sent (fax/mail/post) to Digitalus Webhosting & Webdesign located in Zuidbroek. Afterwards we will electronically submit your request to Stichting Internet Domeinregistratie Nederland. It's possible to transfer multiple domains as long the registrant is exactly the same.

**Signed,**

name: \_\_\_\_\_  
customeraccount: \_\_\_\_\_

**competent to act and acting on behalf of**

registrant: \_\_\_\_\_  
address: \_\_\_\_\_  
city and country: \_\_\_\_\_

**regarding the following domainname(s):**

\_\_\_\_\_.nl  
\_\_\_\_\_.nl  
\_\_\_\_\_.nl  
\_\_\_\_\_.nl

hereby declares that the above domainname(s) will be transfered, and agrees with the transfer of the above domainname(s) from

current registrar: \_\_\_\_\_

**to**

new registrar: Digitalus Webhosting & Webdesign

**and declares that the registrant has notified the current registrar at \_\_\_\_\_ (date) about the upcoming transfer and cancelled the contract. Also the "Registration contract domainname" should be filled in correctly and sent to the new registrar.**

**Prices and conditions for this domain registration can be found at <http://www.digitalus.nl/domains>.**
